Dear CRY Supporter,

You have the power to change children's lives.

I'm sure you remember CRY greeting cards through the years; the ones you sent to loved ones on festive occasions or surprised friends on their birthdays; cards that brought with them the joys and colours of childhood! Today, we bring to you those cards and so much more.

Presenting the 2022-2023 Archies Catalogue, an exclusive range of greeting cards and calendars to choose from in support of the cause of happier childhoods for India's children.

Every time you purchase merchandise from this catalogue, your contribution makes a big difference towards ensuring that the underprivileged children get access to education, proper nutrition and healthcare and that they stay protected from child labour and child marriage.

With your support, Child Rights and You (CRY) has been able to impact over 3 million underprivileged children across India for over 4 decades now.

You can place corporate orders to present to your customers, partners or employees or place orders as gifts for your friends and loved ones.

So go ahead and select the product of your choice, whose proceeds will go towards creating brighter futures for India's children.

Puja Marwaha.

With faith and goodwill,

Puja Marwaha

CEO, Child Rights and You (CRY)
